FAQ

After the first year, you must renew Maintenance on an annual basis at Trend Micros then-current Maintenance fees.

Trend Micro, Trend Micro Apex Central, Trend Micro Apex One, Trend Micro Apex One (Mac) and the t-ball logo are trademarks of Trend Micro Incorporated and are registered in some jurisdictions.. Renew Trend Micro Is For 3 Pc'S Or With A Key Code In Software Usually IncludesA license to Trend Micro software usually includes the right to product updates, pattern file updates, and basic technical support for one (1) year from the date of purchase only.. View information about your license agreement with Trend Micro at. The Help is accessible from the Trend Micro Apex One server, agent, and Policy Server consoles, and from the OfficeScan Master Setup.. When this happens, the traffic is blocked by the high or medium firewall policy The Apex One server deploys the command to security agents and adds the following registry entries on all security agent computers.
