## About This Game

Tower Expanse is a Tower Defense PvP battle arena strategy game.

- Free to play. Never pay to win. Fun, fair, and balanced.
- Real time combat, inspired by classic Tower Defense games and classic RPGs, with a unique Resource Meter system and different objective victory paths.
- Build elemental Towers and Minions in the Arena, Command your customized Hero, Launch magical missiles, and strategically acquire resources.
- Find blueprints to craft new Heroes and equip them with different Trinkets to make your own unique Hero for the battle arena.
- Earn XP to level up your Fire, Ice, Lighting, and Poison levels.
- Complete achievements to unlock equippable passive enhancements. Buy and sell crafting materials at the marketplace
- Climb the leaderboards. Challenge your friends
